

SCIP IDs for Ringfeder products

Revision date: 2023-10-16

All Ringfeder products, see table below, that contain SVHCs more than 0.1% weight-by-weight announced by ECHA effective up to the date of this declaration have been uploaded into the SCIP database effective from January 5, 2021 onwards. Please consult the database for specific information on which SVHCs are present in which products.
